Lafayette, City Council

As of January 1, 2009 I wish to resign from the Crime Commission. As hard as I/we have tried, I feel we have not been able to involve our homeowners as is our purpose and I have felt discouraged.

I would hope to find other avenues to help our citizens ,perhaps exploring, if we could bring more AARP programs into our City or perhaps a "kid power" program (teaching children to empower themselves).

Thank you,

Suzanne Jones
